GENERAL TERMS FOR THE TOP-UP PROMOTION AND EARLY TOP-UP

– **Promotion validity:** The promotion is valid as long as promotional units are available (maximum 1,000). After this, you can still top up online but without the promotion. Either way, you'll avoid waiting in line.

– **Linking your top-up:** You can link the top-up to your wristband yourself on-site. Simply scan the QR code on the back of the metal tag or manually enter the number in the designated field.

– **Promotion availability:** The promotion is available from September 26 to October 3, 2024. The promotion will not be available during the event walking days.

– **Use of credit:** The top-up credit can be used at the bars, food stalls, and merchandise stores.

- **Promotional credit non-refundable:** The bonus credit is non-refundable. It will be used last, so make sure to spend it all before topping up again. If you top up again before using your promotional credit, it will remain and be considered unused even after another top-up.
- **No refund on promotional credit:** The bonus credit from the promotion is non-refundable.
- **Refund of remaining balance:** You can request a refund for the remaining balance on your wristband starting the Wednesday after the event, for a limited period of 10 calendar days. From 12:00 AM on October 7 until 11:59 PM on October 16.
- **Loss of top-up credit:** Don't forget to keep your wristband, as we'll need the code on the back to process any refund requests
